Bath Furniture

The Stanton Collection

This 72" version of the Stanton vanity set has all the design and quality features of its smaller cousins, such as solid wood cabinets and drawers, a acrylic countertop, integrated sinks, and chromed drains and faucets. Its handsome and understated look will complement any modern bathroom, and the quality of its materials will ensure that its beauty won't fade over time. Moreover, with a generous eleven drawers and two windowed storage cabinets, this Stanton is also at the ne plus ultra of utility in its class.
