Designer's Pick Collection

The Venetian 60" vanity set combines a classic feel with modern simplicity through its warm color palette, round handles, and crisp lines. The fully-assembled cabinet features solid oak construction for both the frame and the panels, with the panels given a water-resistant treatment for maximum longevity. Seated at the base of the double ceramic sinks are chrome-finished pop-up drains designed for easy one-touch draining. Practicality was not sacrificed, as this vanity includes two large drawers, four center drawers, and two soft-closing cabinets, all of which have been accented with satin nickel hardware. Mirrors and faucets are not included with this model.
