

Rampver Financials Data Privacy Consent Form

In accordance to RA 10173, also known as "Data Privacy Act of 2012":

I hereby allow Rampver Financials ("Company") to provide me certain services ("Services") declared in the forms where this Data Privacy Consent form is attached.

I acknowledge and agree to the third party service providers required by the company in order to maintain the quality and deliver effective and efficient Services.

I also acknowledge and agree to provide my personal identifiable/sensitive information (i.e. Name, Birthdate, Address, Employer, and Government issued IDs) to the Company for it to provide said Services.

I agree and authorize the Company to collect, record, organize, store, update, transfer use for monitoring and/or audit process as necessary, any information pertaining to the account holder/s of this application or other account/s associated with it or existing investment/insurance account/s, if any updates under the following circumstances:

1. To provide certain Services I requested as stated in the forms where this Data Privacy Consent form is attached, for the purpose of the investment/insurance account being issued and administered for benefits provided as stated in the account;
2. To disclose such information (for official business purposes) to its affiliated companies, its Brokers, Agents, Certified Investment Solicitors, and their employees and staff and to accredited/ affiliated principals/third parties or independent/non-affiliated third parties, whether local or foreign.

In this regard, the Company employs security systems designed to protect my information against unauthorized access;

3. In order to improve the quality of service, the Company may use such information in the design and communication of our customer programs, marketing and promotional campaigns, promos, or offers;

4. To allow this Consent to remain valid from its execution and until 10 years after full redemption of my account/s, or at such time that I submit to the Company a written letter of cancellation/revocation of such Consent, whichever is earlier; I agree that my information will be deleted/destroyed after this period.

I hereby acknowledge that I have acquired the consent of all parties pertinent to this transaction to disclose their information for the proper administration and provision of services requested from this transaction.

I hereby hold free and harmless and undertake to indemnify the Company for any complaint, suit, damages and the like which any party may file or claim against the Company in relation to this acknowledgement and warranty.

I agree to the terms and conditions contained in this Data Privacy Consent form.
