

CHIERRE ENE

INTRODUCE

CHIMERA STORE is an AR illegal store that sells embryo chimeras based on bio-technology.

By purchasing the chimeras they need, custormers can obtain organs that perfectly fit themselves, thereby achieving long lifespan.

INSIDE

Store uses customers' desire for health and immortality to lure them into buying products, attract custormers with beautiful pattern effects and hide the harsh truth behind beauty.

BACKGROUND

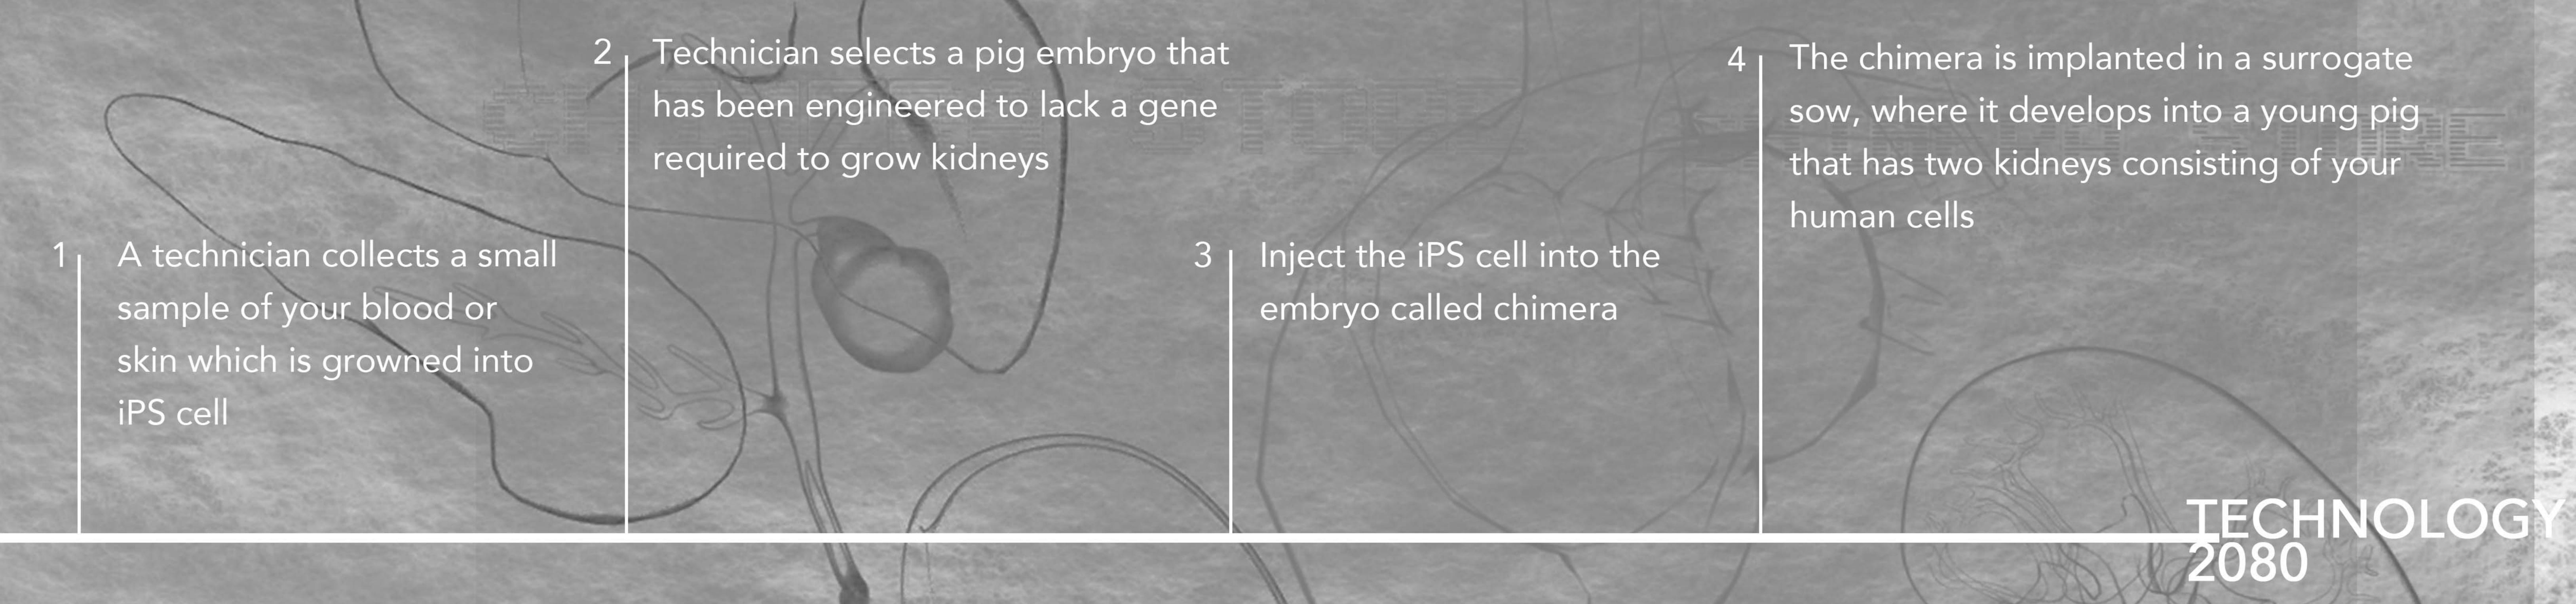

In the era of mature biotechnology in 2080, the original intention of the development of Chimera technology is to save patients suffering from brain diseases and neurological diseases, and to alleviate the dilemma of organ transplantation.

But some illegal profit organizations use this technology to make a lot of money, CHIMERA STORE is one of them.

HOW

With the growth of illegal profit-making organizations, some people gradually discovered the cruel truth behind them.

As customers browse the products, the store will be hacked by the program, gradually revealing the truth behind the beauty to people.
