Introduction

MSO Mission Statement

Ministry of Situational Oddities (MSO) primary objectives are to examine and 'strange occurrences' that became more prominent during impending end of a timeline.

Situational Oddities

Situational Oddities (S.O) are signs and evidence of the expected 'Anthropocene extinction' in a timeline. This can manifest in the forms of a convenient store in the middle of a barren landscape to lifeless but also deathless airport terminals during the pandemic.

Artifact & Objects

Artifacts & Objects (As&Os) are items collected and contained from S.Os for research and analysis purposes. This is in order of documenting the manifestation of 'The End Of Time' in that particular timeline.

The End Of Time (Anthropocene/ Capitalocene/ Cthulucene)

The general term for the length of the timeline from when the human race started to shape their own timeline's destiny to their doom. A timeline ending comes in various forms, Climate Change, Nuclear War, Pandemic and Ecological Collapse.
