3 CHAIRS WORKSHOP

This workshop will be filmed.
The video will be used as research material,
and maybe present as a process record video
for AcrossRCA unit.
Your work which created in this workshop will
be photographed and credit your copyright.
You own the work, but it may be present in the
final video of this unit in the form of
photos(with your copyright).
Be free to stop us anytime you feel
uncomfortable!

3 Chairs Workshop

3 CHAIRS WORKSHOP

Hackathon 1 (30min)

If you want to create a piece of work related to
chair, what's your process?
Please create your own image of the 'chair' by
using your usual design process. You can use
any materials provided on display to create
your work.
The outcome won't be limited, it could be a
sketch, a prototype, a poem or a picture.
Be free and show your creativity!

Hackathon 2 (30min)

AI-generated stuff is illogical! Wait, it seems to
have given me some unexpected ideas?
Please create your own image of the 'chair' by
using our AI inspiring website - [AIInterest].
You can click on some of the associative
words generated by AIInterest to generate
images, text and audio related to the chair.
Hope these AI works can inspire you in a
different way.
You can use any materials provided on
display to create your work.
The outcome won't be limited, it could be a
sketch, a prototype, a poem or a picture.
Be free and show your creativity!

Sharing (30min)

Just have fun!
Let's walk around to see other people's works!
Every one may have 5 mins to explain your
two works!

Small talk (30min)

Share your feelings about AIInterest.

A small interview will be hold. You will be free
to share any feelings or commends about
AIInterest. Also you feeling about collaborate
with AI.
