**3 - BREATHE
AND HUM AND
I WILL
RESPOND**

1 - **Breath, mine and theirs**

2 - **Song for me/ "New Song"** (mix of hum sounds from original recording)

3 - **Breath, mine and theirs**

4 - **Breath Mix:**

I'm trying to make our breath mix

If you breathe and I breathe in the same space have we existed in the same space

I'm trying to understand bits of people

What makes up the bits of people

I've put our breath into a timeline therefore it exists in the same timeline

I am making our breath mix

In and out at similar times

Not factually at similar times

But on the same timeline, so one after another

I am making our breath mix

I got a computer to make you speak to me

Now it's making you breathe to me

Maybe we can sing at the same time

Maybe we can breathe at the same time

Maybe we can be at the same time

Maybe we can breathe at the same time

Maybe we can be at the same time

Maybe we can breathe at the same time

5 - **Breath, mine and theirs**

6 - **Force-Sing** (mix of hum sounds from original recording)
