Performance Notes

Accidentals hold good throughout the bar unless otherwise altered (as of traditional practice).

All grace notes are to be played before the beat.

Trumpet requires a harmon mute (covering and uncovering the bell is notated as +→o)

Trombone requires a cup mute

b.p. with a crossed notehead = excessive bow pressure (beyond producing a definite pitch);
an arrow towards *b.p.* indicates changing gradually from normal playing to excessive bow pressure.

'Arrow up' noteheads = play as high as possible (on the indicated string)
