| <b>Welcome Video</b>                                                                                             | Welcome to day 2 of Into the Great Outdoors! This whole week we are talking about our beautiful world and exploring the nature around us. Today, we are talking about outdoor activities like planting a garden and learning how plants grow. |
| <b>Video</b>                                                                                                     | <ul style="list-style-type: none"> <li><a href="#">How Does a Seed Become a Plant?</a></li> </ul>                                                                                                                                             |
