## FREE Resources Available for Families

Every weekday at 11:30am ET on Facebook we have someone read a new children's book aloud! Sometimes there are matching activities to go with the read aloud too!

## Virtual Summer Camp

Join us for 8 weeks of FREE virtual programming for children ages 3 to 8. Each week's activities are themed around a different topic.

Every weekday features new virtual read alouds, activities, crafts, snacks, and more themed around the topic of the week! All activities use materials you can find around your house and are perfect for entertaining and educating your children at home.

All of the videos are recorded and can be viewed on your own time! View the videos at [www.Reachoutandreadnyc.org/parents-families](http://www.Reachoutandreadnyc.org/parents-families) or on YouTube at <https://rb.gy/rj0gl1>.
