

CURRICULUM VITAE

"Every great developer you know got there by solving problems they were unqualified to solve until they actually did it."
- Patrick McKenzie

Sydney J. Ekpo

I am experienced at **client relationship, electronic channels management** (information and transaction systems) and **digital project execution** across Banking and Telecoms Sectors.

I pioneered the Product Channels Unit and Client Support(via social media) initiative for one of the largest Commercial Banks in Nigeria.

I'm looking to transition into Android/IOS App Development full time. I also play the Guitar and record professionally, Alternative Rock Music in my spare time.
