

Local Social Account Setup Guide

Connect Brokerage Social Accounts

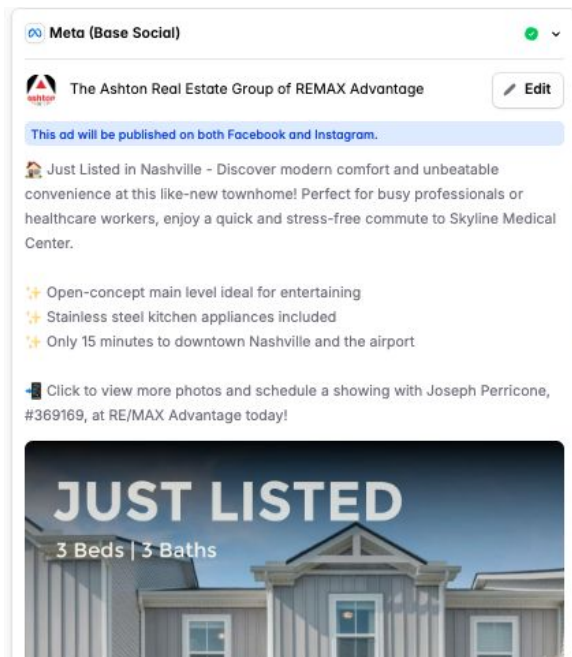

- ✓ Localize social handles
- ✓ Drive more followers to your accounts

Tip: Provided you have the necessary access to your social accounts, this process should be incredibly simple.

If you don't have access, please send the link to your team. If nobody can connect your accounts, reach out to customersupport@remax.com for help.

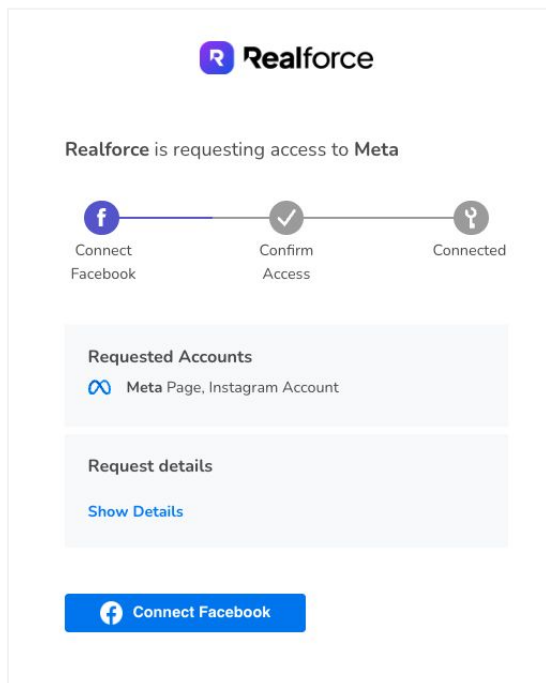

Access Link:

<https://app.leadzie.com/connect/realforceab/manage>

Step 1:

Go to the link and sign in to your main account by connecting to Facebook

Step 2:

Select your brokerage Facebook and Instagram accounts and confirm access
