

The Next-Generation CMA and Presentation Builder

Present helps you guide clients through an interactive and compelling pricing discussion for both potential buyers and sellers. Using a single, intuitive tool, you can create an engaging CMA in under a minute, or build a fully-customized branded presentation with real-time activity tracking.

- ✓ Quickly create and view customized presentations on any desktop or mobile device with a completely redesigned homepage for effortless presentation prep and performance tracking.
- ✓ Show unique, big-picture pricing that combines multiple pricing perspectives in a single view.
- ✓ Become the go-to buyer's agent with the "Win the Representation" format to demonstrate value with educational slides.
- ✓ Work interactively with buyers and sellers anywhere and make changes on the go.
- ✓ Effortlessly tailor designs to reflect the needs and nuances of your client.
- ✓ Deliver your presentation live, digitally or printed.
- ✓ Robust client behavior tracking shows what matters most for follow-up.
