

Children's Miracle Network Electronic Submission

Lone Wolf has added an option to create a Children's Miracle Network file to the Agent Fee Deduction Report. The Agent Deduction Fee (E.1.3) must be named CMN, Children's Miracle Network or C.M.N. in order for the create CMN file option to appear.

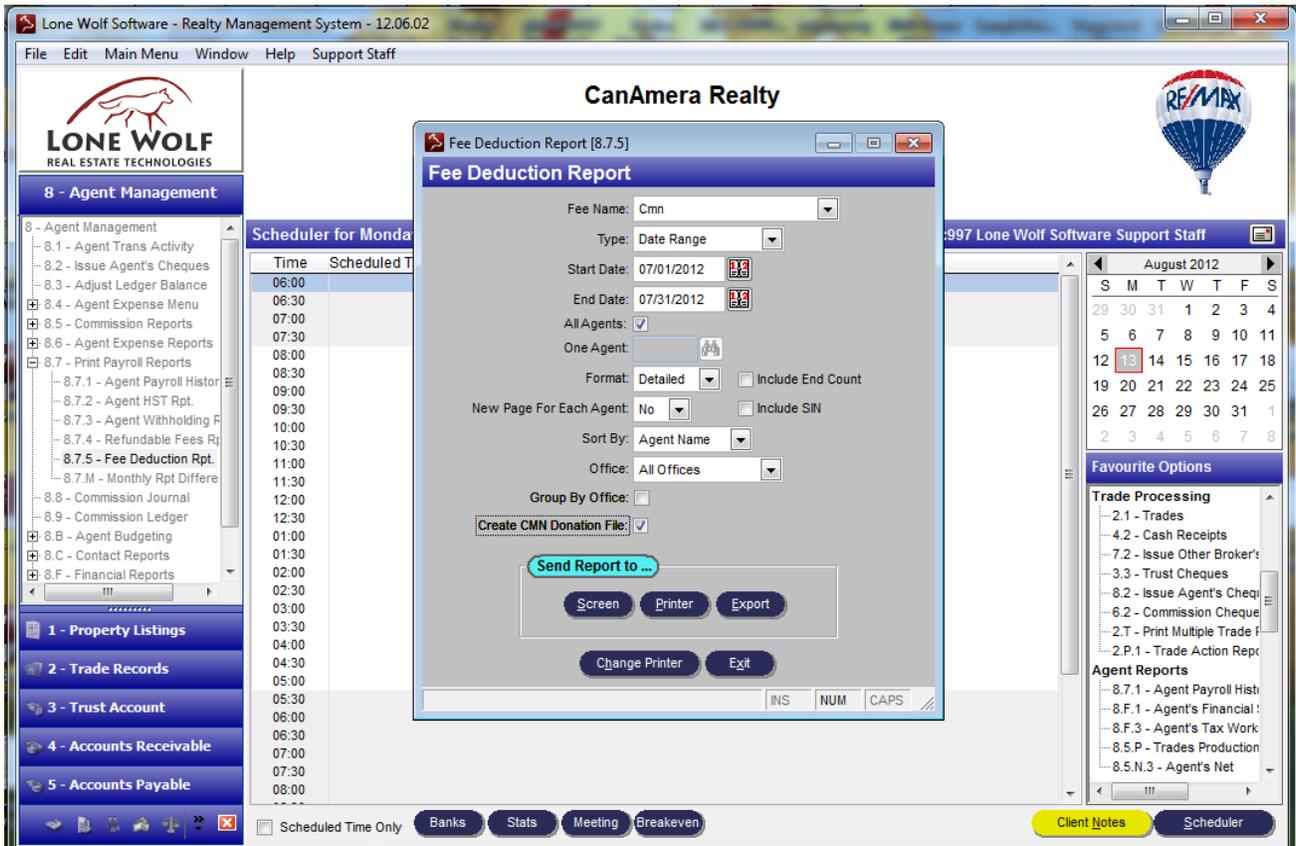

The screenshot displays the 'Fees [E.1.3]' form within the Lone Wolf Software interface. The form is titled 'CanAmera Realty' and is used for entering fee information. Key details include:

- Fee Type:** Agent Deduction
- Name:** CMN
- Description:** Charity Deduction
- General Ledger account:** 24004 CHARITY FUND WITHELD
- What is it for:** Listing (checked), Selling (checked)
- Refundable:** No
- Comm. Split Fee:** No
- Office To Post To:** Agent's Office

On the right side of the interface, there is a calendar for August 2012 and a 'Favourite Options' list containing items like 'Trade Processing', 'Agent Reports', and 'Trade Action Rept'.

(8.7.5). When you select your CMN fee in the Fee Name drop-down list a checkbox will appear that says Create CMN Donation File.

Once you have printed the CMN report, you will be prompted to save the file to a directory. Choose a directory where you can find the file to print off the report to send with your donation cheque to you local Children's Miracle Network hospital.

You can also use the 8.7.5 menu to generate reports for any other charitable donations RE/MAX affiliates are contributing to.
