

## **“Together, We Rise”**

### Video Script

---

“From all around the world, we are RE/MAX  
...representing millions of communities, just like yours.

We are your local real estate offices and agents, but most importantly, we are your community members, friends, neighbors and family members.

The world has changed, and so have each of us. We will continue to do our part and come together every day to better serve our communities.

But right now, we’d like to recognize the real heroes rising around us:

- Our doctors, nurses, hospital staff and sanitation cleaners—
- Our police, firefighters, dispatchers, first responders and EMTs—
- Our government workers and military—
- Our grocery clerks, delivery drivers and mail carriers—
- Our teachers and administrators—
- Our caretakers and cashiers—
- Our transit workers and volunteers—

We see you.

We thank you.

And, together — we will rise above.”
