More than 4,000 RE/MAX Agents Recognized as Being Among “America’s Best”

Premier industry survey also displays that, on average, RE/MAX teams are far more productive than teams at other brands.

DENVER – RE/MAX® proudly announces another remarkable achievement, as thousands of its agents have been recognized as “America’s Best” on the RealTrends + Tom Ferry America’s Best Real Estate Professionals List. An impressive 4,117 RE/MAX professionals qualified for the honor, which is based on 2022 productivity. RE/MAX agents also stood out in the recently released RealTrends + Tom Ferry The Thousand ranking – an elite subset of America’s Best.

Of the nearly 28,000 agents who applied for recognition as an "America's Best," almost one out of every seven is affiliated with RE/MAX, underscoring the network’s undeniable impact on the industry.

America's Best grouped teams into four categories based on number of team members. When all teams qualifying by transaction sides are combined by brand, RE/MAX teams have a higher sides-per-agent average among brands qualifying at least 100 teams for transaction sides.

The 1,347 qualifying RE/MAX teams of all sizes averaged 21.6 sides per agent, compared to the average for competitor teams of 13.3 sides. RE/MAX teams also had the highest sides-per-agent average in three of the four team categories: 28.6 for Small, 19.1 for Medium, and 16.7 for Large.

"We are incredibly proud of these RE/MAX agents for being recognized as the best" said Nick Bailey, RE/MAX, LLC President and CEO. "This honor is a testament to their unwavering commitment to excellence and their dedication to providing exceptional service. It underscores our brand's ongoing position as the best option for productive professionals."

Known as a home of top-producers, RE/MAX equips agents to thrive in a competitive marketplace by offering comprehensive support and resources. The network offers industry-leading educational programs through RE/MAX University, cutting-edge technology platforms such as the recently launched MAX/Tech powered by kvCORE, and a global referral network of professionals with a presence in more than 110 countries and territories.

RealTrends + Tom Ferry’s America’s Best Real Estate Professionals is the industry’s largest ranking of agents specifically based on homes sold. Eligibility for the America’s Best ranking required individual agents to close at least 40 transaction sides or \$16 million in sales volume in 2022, while teams had to close at least 60 transaction sides or \$24 million in sales volume.
