**DENVER** – RE/MAX, LLC, one of the world’s leading franchisors of real estate brokerage services, today announced the addition of three companies to the RE/MAX Approved Supplier program. The new additions, spanning educational resources, investor-grade analytical tools and advanced back-office software solutions, empower agents with top resources that are easy to find and use so they can focus on what they do best – helping clients buy and sell real estate. All services and materials are available for purchase – often at lower prices negotiated by RE/MAX – through the [RE/MAX Marketplace](#), the online portal exclusively available to RE/MAX agents in the U.S. and Canada.

New members of the RE/MAX Approved Supplier program include:

**TopHap:** TopHap is a real estate technology company that makes investor-grade analytics easy, intuitive, and accessible to everyone. While other platforms focus on property search and promotion, TopHap focuses on research and providing data-driven insights, with additional tools such as analytics, 3D visualizations, and artificial intelligence to make real estate research more efficient.

Many of the companies in the RE/MAX Approved Supplier program offer exclusive discounts to RE/MAX agents. With everything from yard signs to legal services, clothing to technology, these companies provide powerful tools to help RE/MAX agents run a successful business.
