Coaches Corner Live Tour Presented by RE/MAX to Hit the Road This Summer

*Real estate industry professionals are invited to masterminding events
across the nation to learn from top coaches and industry experts
on how to better their business*

DENVER – All real estate industry professionals are invited to attend the **2021 Coaches Corner Live Tour presented by RE/MAX®**, a 13-city tour that will offer in-person access to premier real estate coaches [Tom Ferry](#), [Jared James](#) and [Wayne Fredrick](#). These value-driven sessions will focus on how to navigate current market conditions and will provide an opportunity for real estate professionals to share best practices, successes, and insights with their peers. The event will bookend in the Lone Star State; kicking off in Houston on Tuesday, June 8, and concluding on Friday, Aug. 6, when the tour wraps up in Austin.

Each of the two-and-a-half hour sessions will provide an invaluable opportunity for real estate agents to meet with top industry coaches to work together on a personalized roadmap to excellence.

“Everyone benefits when real estate agents – at any brand – receive great coaching and information,” said **RE/MAX Chief Customer Officer Nick Bailey**. “That’s why we’ve teamed up with some of the best real estate coaches who can offer training, education and useful advice to real estate professionals who may never have access to this type of opportunity due to financial constraints or time away from home for travel.”

Registration for the Coaches Corner Live Tour presented by RE/MAX is now open and costs \$25. For each of the 13 events, the first 50 people to register within that city will have the \$25 fee waived. To register, please visit: www.CoachesCornerLiveTour.com.
