

## We are built on a culture of giving.

Giving back to our local communities is the foundation of our culture. Some of the ways we give back include a 31 year partnership with CMN, the Quest for Excellence scholarship program and supporting the Treat Accessibly initiative to make Halloween more inclusive. Social responsibility is essential for generating loyalty and ensuring buyers and sellers feel good about doing business with you and your agents.

RE/MAX® is dedicated to positively impacting the lives of children and their families in local communities.

**31**  
year partnership

Each year, RE/MAX Canada offers 40 scholarships of \$1000 to graduating high school students.<sup>2</sup>

The Treat Accessibly initiative encourages homeowners to bring "treats to the streets" to make Halloween more accessible. Lawn signs provided by RE/MAX agents create positive brand awareness in the community and with potential clients.

As "a business that builds businesses" with deep commitment to community, RE/MAX reflects our own entrepreneurial spirit and active involvement in the local community
