

# Think it. Design it. Post it.

## Create, customize and go live faster with Canva in REMAX Marketing Studio<sup>SM</sup>.

When your marketing goes out faster, it starts working sooner. With Canva in REMAX Marketing Studio, you can quickly create and share designs using built-in REMAX<sup>®</sup> and MLS integration — so your details are auto-populated and ready to go.

### Everything You Need Is Built In

Access official brand kits and templates for REMAX, The REMAX Collection<sup>®</sup> and REMAX Commercial<sup>®</sup>

Share work seamlessly across your office and team workflows.

Customize templates for both agent and office promotion.

Turn designs into dynamic ads directly in Marketing Studio.

### Getting seen shouldn't take extra work.

Be among the first to create, customize and go live.
