

Your Chance to **GIVE BACK**

October 4–10, 2026

Make a difference in your community!
Join us for **Global REMAX Week**.

TOY DRIVE

Gift the joy of toys! Put out a bin for a toy drive or get together and pack activity bags for the patients of a local hospital. We recommend reaching out to your local children's organizations or hospitals to see how you can help!

BLOOD DRIVE

Be a hero and donate blood! Bring the people of your community together for a common cause by hosting a blood drive that can help to save lives in your community.

VOLUNTEER PARK/BEACH CLEANUP

Enjoy the sunshine and fresh air as you help clean up your local parks or beaches! We recommend a snack and drink table with some tunes to keep the energy flowing as teams bond, communities' network, and nature is kept beautiful.

VOLUNTEER FOOD DRIVE

Now's your chance to give back to your local community through something that unites us all – food! Help to feed those around you by volunteering at a Food Bank or preparing meals to pass out to people in your area.

...host a pet food drive, or even a golf tournament – how you give back is up to you!

BE SURE TO TAG US!
#GlobalREMAXWeek

We encourage partnering with your local CMN hospital, but how you give back is up to you!
