

MaaS

Marketing as a Service

Maximum Impact.
Minimum Effort.

Smart. Simple. Speedy.

MaaS simplifies REMAX® marketing offerings in one easy-to-use platform. That way you can focus less on creating marketing materials and more on winning listings and building a strong, lasting business.

Run dynamic marketing campaigns — that include social and digital assets, paid ad options and AI-generated dynamic listing tours — in just a few clicks.

This Is Just the Beginning...

What are you looking for in your marketing? This next-level solution will constantly evolve to help meet the needs of REMAX agents everywhere.

Smarter Marketing Starts With Smarter Data

Driven by powerful insights, MaaS is designed to deliver smarter and more effective marketing campaigns. Combining AI and REMAX data, it targets the most likely buyers of a seller's home.

Flexibility and Customization

MaaS offers the flexibility agents and teams need to make every campaign their own. With customizable, REMAX-branded templates, easily tailor marketing materials to fit your unique style or team identity.

Or, set it and forget it by updating your settings and hitting 'save' to streamline the process in the future.
