

Introducing **Max**

Your AI-Powered Digital Assistant

Give your listings an AI assist.

Upgrade your MAXTech® powered by BoldTrail website with Max, your new AI-powered digital assistant. Max gives consumers **instant** answers to their questions — from explaining property features like bedrooms, bathrooms and amenities to sharing details about local schools and neighborhoods — saving you time and energy.

Preorder Max today by visiting **Marketing as a Service**.
Curious about Max? Visit any listing details page on [REMAX.com](https://www.remax.com).
