The RE/MAX balloon is flown over drive time traffic in the Phoenix metropolitan area. Each flight yields between 40,000 and 150,000 impressions per flight. Our goal is to get maximum exposure with the limited budget. We target heavily trafficked areas at peak drive times. The Phoenix Metropolitan area is on the grow. We do our best to distribute the flights to benefit RE/MAX agents across the valley. Our flying season is October thru May each year.
