

Being a Miracle Office is good for business.

Having a cause marketing strategy is good for communities and good for business. It's simple — participating agents will make regular donations on behalf of clients after each closed transaction. Donations add up to make a big impact towards changing kids' health to change the future. Here are the benefits for your brokerage:

Recruit Associates & boost engagement

93% of employees believe companies should lead with purpose*. Partnering with Children's Miracle Network Hospitals will provide a meaningful way for your office to give back to the community and provide a positive experience for your Associates.

Access exclusive marketing materials

Miracle Home listings create a point of differentiation in the marketplace. And, supporting Children's Miracle Network Hospitals lets your clients and community members know that RE/MAX agents care. When your office reaches \$2,000 in contributions annually, use Miracle Office promotional materials to amplify your work.

All donations benefit local hospitals

Donations fund critical life-saving treatments and healthcare services, along with innovative research, vital pediatric medical equipment, child life services that put kids' and families' minds at ease during difficult hospital stays and financial assistance for families who could not otherwise afford these health services.
