### 4 Risk Notice

Investing in qualified subordinated loans involves risks, including the **risk of losing part or all of the money invested or the risk of not receiving any returns.** The Subordinated Lender grants a qualified subordinated loan. In the **case of bankruptcy or liquidation** of the Issuer, there is the risk that the loans will be granted only after all other creditors of the Issuer, who are primarily to be satisfied, and thus the investor partially or completely fails with his or her own claim. In principle, it can be assumed that higher potential returns result from a higher risk.
