

You move forward with your **LIFE.**  
We'll handle the **NUMBERS.**

Top 3 reasons  
You Should Leave  
The Financial Aspects  
of **Divorce** To Us

# Going through a divorce is a **challenging time** as you try to maintain your dignity and mental health.

You need to put yourself first while facing property division, support issues and, possibly, litigation. With all that is involved in divorce, you need an experienced financial consultant/expert witness.

As experienced financial advisors in divorce matters, we will guide you through the financial aspects of the divorce process with expert financial advice, assisting you and your attorney in the development of the facts and strategy for your case. We will guide you along the way so that you and your attorney can make informed decisions over the course of your divorce proceedings.
