We are the Kesners. A family woven together by adoption. These smiles each represent a story filled with joy and hardship. Their stories began in foster care with an unjust start in life. Exposure in utero to drugs impacted the development of their brains and nervous systems. As they began school, the depth of their deficiencies became more evident. We tried different schools, but each day we watched them struggle and feel defeated in a traditional setting.

We were introduced to New Way Academy and finally found an educational setting that meets the needs of their learning differences. New Way has the resources to address their emotional and academic concerns. The teachers provide them with tools to overcome anxieties and gain confidence while learning. We ask that you partner with us on the journey to turn their challenges into moments of achievement and success.

Serving Arizona Foster Youth

No hope, life, or path
Fully me, strong, accepted
I'm unexpected

The haiku (Japanese poem) Rosa wrote to express her transformation

VISION

We transform lives – one teen at a time.

MISSION

We spark the greatness in Arizona's Foster Youth to help them realize their potential and to make the world a more peaceful and loving place.

WHAT WE DO

Since 2007, the Scott Foundation has touched the lives of more than 6,000 young people through experiential learning designed to encourage the value of selfless service. In giving back to others, these magnificent young adults redirected nearly \$764,000 in donations back to the community through their selfless service and compassion for others. Over time, we recognized that the youth who were most receptive to that concept were those who needed it most. So, we decided to redirect our efforts solely on the most vulnerable of Arizona's youth, Arizona's Foster Teen population.

TODAY'S PROGRAM

Scott Foundation disrupts the social norm to spark the potential greatness in AZ foster youth. We focus on 13-17 year old's and young adults 18-25, since they are considered to be within the Arizona Department Child Safety and Healthcare transition period. We assist these young people in gaining practical skills for life but more importantly, help them develop a healthier sense of self, compassionate hearts and purposeful career paths. They learn to live in selfless service to others and evolve emotionally so their perspective about themselves shifts and their individual potential can blossom. Our Master Class program averages 100 learning experiences per year, per person – many having experiences in 8 different and exciting careers. When they 'age out' of the system, at 18, they will have a chance at success and not become part of the statistics.

OUR HISTORY

Colleen Walski, the founder of Scott Foundation, is a visionary and inspired leader who has woven together spiritual leaders, change-makers, community leaders, philanthropists, executives and entrepreneurs to enrich the lives of Arizona's Foster Youth. Inspired by the lasting memory of her only son, Scott, who was tragically taken when he was only 27, Colleen is dedicated to helping young people, just as Scott always did. Her passion for giving-back is the core principle that helped her overcome the pain from her loss and eventually heal. Foster youth also face pain and need healing from the traumatic lives they were experiencing before entering the system, which were often filled with physical, sexual and emotional abuse, neglect, poverty and crime. Scott Foundation helps these beautiful young people become whole so they can look forward to productive and satisfying futures.

Our Mission

The mission of the Pappas Kids Schoolhouse Foundation is to help low-income, homeless and at-risk youth in Arizona schools succeed and grow in a positive educational environment.

We partner with schools and agencies that serve disadvantaged youth and assist with the educational, social and family needs of their students.

By giving these students the opportunities they deserve and “eliminating the barriers” that childhood homelessness and poverty may create, we hope to change the course of their lives so they may become fully literate, productive members of our society.

A School tuition organization cannot award, restrict or reserve scholarships solely on the basis of recommendation.
A taxpayer may not claim a tax credit if the taxpayer agrees to swap donation with another taxpayer to benefit either taxpayer's own dependent

Find Out How You Can Change A Child's Future!

OVER \$18.1 MILLION DOLLARS AWARDED AND MORE THAN 9,175 SCHOLARSHIP AWARDS PROVIDED TO ARIZONA STUDENTS IN NEED SINCE 2007!

How It Works:

REDIRECTING YOUR TAX DOLLARS FOR THE GOOD OF CHILDREN

The original tax credit law allows Arizona taxpayers to make a contribution to a School Tuition Organization, like PAPPAS KIDS, that will help fund private school student tuition.

You, the taxpayer, choose where to make the donation, not the government. This allows YOUR money to be used to give underprivileged students an opportunity to attend private schools in Arizona. When you contribute, you are making a donation. The state of Arizona will grant you a tax credit in return for that donation when you file your tax return.

Single Taxpayer	Married Filing Joint
Original Tax Credit	Original Tax Credit
\$655	\$1,308
Overflow/Plus Tax Credit	Overflow/Plus Tax Credit
\$652	\$1,301
Maximum For Single Filer	Maximum Married Filing Joint
Original + Overflow	Original + Overflow
\$1,307	\$2,609

IMPORTANT: If the taxpayer has actual Arizona state income tax less than the maximum donation amount allowable, the available credit in a given year is limited to the taxpayer's actual tax. The tax law allows a carry forward for up to five years if a donation is made in excess of the actual state income tax due.

Deadline: The deadline for private school tax credit donations is no longer December 31. Donations can be mailed or submitted online to PAPPAS KIDS prior to filing taxes, but no later than April 15 and still be eligible for the tax credit for the previous tax year.

If your donation is made between January 1 and April 15, you can determine which tax year to claim the credit. It must be postmarked or submitted online by midnight on **April 15 - there are no extensions!**

Receipts: An annual tax statement is sent by January 31 of the following year. Use forms 323 (Original tax credit) 348 (Overflow tax credit) and 301 (to summarize multiple tax credits) to claim the credit on your Arizona taxes.

 Annual Email Reminder

To date, the Pappas Schoolhouse Foundation has awarded more than 9,700 scholarships amounting over **\$18.1 million dollars** for students to attend private schools throughout Arizona. These students have gone above and beyond with their academic efforts to ensure they take advantage of the opportunity being provided to them. We have had many students advance from our scholarships program and receive college scholarships. Pappas Kids Schoolhouse Foundation remains focused on creating an effective learning experience for these children by providing school necessities such as backpacks, calculators, school supplies, even computers when necessary.

Our goal is to promote lifelong learning with our students that will encourage them to stay in school. If we can encourage them to get an education, they will be able to support themselves in the future. This will help break the cycle of poverty that most of them currently live in.

Arizona Military Family Relief Fund (MFRF) 2022 Contribution Form

What is the Arizona Military Family Relief Fund?

The Arizona Military Family Relief Fund (MFRF) was established by the Arizona Legislature in 2007 to provide financial assistance to the families of currently deployed service members and Post-9/11 Military and Veteran Families for hardships caused by the service member's deployment after September 11, 2001.

In 2018, Gov. Doug Ducey approved House Bill 2191, amending current statute 41-608.04 regarding the MFRF program. The amendment expanded the MFRF program to include applicants who deployed *before* September 11, 2001 (Pre-9/11) who meet the qualifying MFRF criteria.

How are MFRF assistance grants determined?

Financial assistance from the Arizona Military Family Relief Funds are determined by Advisory Committees, comprised of twelve members appointed by the Governor, as well as the ADVS Director or the Director's designee. The Pre-9/11 and Post-9/11 MFRF have separate advisory committees. In 2019, over \$1 million was granted, assisting over 200 Arizona veterans, service members and their families.
