

2022 Tax Questionnaire

Please answer the following questions and include all necessary details. We will assume the answer is **NO** for all questions left unanswered. A fillable version of this questionnaire will be available by January 23, 2023 at <https://www.wkscpa.com/2022-tax-questionnaires>.

IPPIN information

With the recent rise in tax return identity theft, we highly recommend that taxpayers apply for an IPPIN (identity protection personal identification number). It helps the IRS verify your identity when you file your tax return.

If you applied online last year, you will need to get a new IPPIN for this year. If you have never applied for an IPPIN, you will first need to get an ID.ME account and then apply for the IPPIN. Both taxpayer and spouse each have their own IPPIN for filing a tax return.

Get an ID.ME account here: <https://api.id.me/en/registration/new>
