#LiveYourLifeLoveYourJob

Are you a motivated professional seeking career advancement and the chance to contribute to our cool culture and rapid growth? We have a fun and creative environment (working in a world-class remote team environment) with sincere partners and an open door policy. Our culture supports full access to our partners and knowledgeable professionals for your learning and development. We offer a family oriented-environment plus flexibility and life balance year round. At J A Rodriguez CPA LLC, we recognize that our people are our greatest asset.

If you want to join a modern, highly efficient accounting firm with "out of the box" thinking, apply here.

Responsibilities:

- Partner with clients to provide innovative tax services, including strategic planning, research, compliance, and general consulting activities.
- Maintain strong relationships with a highly proactive approach to serving clients.
- Manage and drive the success of multiple engagements in corporate, individual and partnership taxation.
- Possess strong corporate tax knowledge and experience in S Corps, Partnerships, etc.
- Review tax projections, tax work-papers and tax returns.

- Possess strong general accounting skills and concepts. Capable of generating prepared and compiled financial statements including reconciliation of trial balances and have an understanding of key performance indicators (KPI's).
- Possess strong knowledge of Payroll and Sales Tax compliance matters.
- Have strong QBO/QBD knowledge and experience.
- Work closely with Partners, Senior Managers and staff on client management, professional development and business development activities.
- Coaching, mentoring, supervising and collaborating with staff so they can develop and assist in the growth of the tax practice.
- Assist partners with preparation of engagement touch points and staff performance reviews.
- Maintaining knowledge of new tax changes and general business trends that affect the client.

Requirements

Desired Qualifications:

- BBA/BS in Accounting.
- Masters in Taxation degree, a plus
- International Taxation experience, a plus
- Five or more years of experience at a public accounting firm, with a substantial dedication of time to providing corporate and individual tax compliance and consulting services.
- QuickBooks Certification/ProAdvisor, a plus
- Strong technical skills pertaining to tax preparation and review, tax compliance, agency correspondence and tax research.

Benefits

- 401(K) Retirement Plan
- Health Insurance
- Paid Time Off
- Work from Home
- Bonus opportunities
