

YOUR SUCCESS IS OUR MISSION

Meeting the accounting needs of your county

Greene Finney Cauley, LLP
CERTIFIED PUBLIC ACCOUNTANTS & ADVISORS

One of a county's primary goals is successfully providing services to citizens in a financially prudent manner. The demands of running a county include day-to-day operations, fund accounting, compliance work and more. These responsibilities leave little time in the schedule for accounting tasks.

To ensure your county is set up for continuous success and financial sustainability, let our firm handle the accounting with our outsourced accounting service, **BOSS™** (Back Office Support System). Our experienced team will handle the day-to-day accounting work and serve as your advisor to offer you reliable guidance throughout the year.

Contact us today for more information about our BOSS service and let our team meet the accounting needs of your county.
