

YOUR SUCCESS IS OUR MISSION

Meeting the accounting needs
of your nonprofit organization

Greene Finney Cauley, LLP
CERTIFIED PUBLIC ACCOUNTANTS & ADVISORS

One of a nonprofit leader's primary goals is running a successful organization with long-term financial sustainability. The demands of running a nonprofit organization include engagement and retention of donors and clients, ongoing program improvement, fundraising, staff management, and reporting to the Board. These responsibilities leave little time in the schedule for accounting tasks.

To ensure your non-profit is set up for continuous financial stability, let our firm handle the accounting with our outsourced accounting service, **BOSS™** (Back Office Support System). Our experienced team will handle the day-to-day accounting work and serve as your advisor to offer you reliable guidance throughout the year.

Contact us today for more information about our BOSS service and let our team meet the accounting needs of your nonprofit organization.
