

PROVIDING THE TRUEST PICTURE OF YOUR COMPANY. ALWAYS.

BatesCarter
Exceeding expectations. Always.

**YOU WANT ACCURATE, TIMELY
FINANCIAL INFORMATION.**

**BATESCARTER MAKES SURE YOU
HAVE IT WHEN YOU NEED IT.**

Accurate, timely financial statements are vitally important to every business. Users rely on them to assess a company's past and gain insight into its future. Sophisticated, properly prepared statements convey confidence in the company's financial information, and reduce uncertainty in the minds of buyers, vendors, bankers, government regulators, investors and other users.

When choosing an audit and assurance firm, business owners and executives must look for a team with unquestionable judgment and deep expertise. BatesCarter has these qualities and more.

EXPERIENCE YOU CAN TRUST.

Our services include financial statement audits, reviews and compilations, along with audits of internal controls. Our specialized teams work with privately held companies, government entities and not-for-profit organizations. We have honed our technical prowess through thousands of audit and assurance engagements in many different industries. With over four decades of experience, we have amassed a vast amount of business intelligence that benefits our clients, providing them far-reaching input that positively impacts their success.

The goal of our audit and assurance services is to provide the truest picture of the company's financial position. In the process, we provide business owners with the knowledge they need to make more informed business decisions. Armed with the information we share, they can better identify and manage risks, enhance internal controls and improve operations.

ADVICE YOU CAN COUNT ON.

At BatesCarter, we believe our relationship with you doesn't end with a signature on the financial statements. We also provide timely advice in a meaningful, in-depth management letter, emphasizing areas for improvement and offering suggestions for efficiencies. We maintain regular contact with key executives throughout the year to more fully understand changes in your operations and respond to your needs.

As experts in the field of accounting, systems and internal controls, our input can help companies run more effectively. As your audit and assurance partner, we do our very best to maximize your company's profitability and understand your business. Always.
