This letter is intended to confirm the terms of our engagement with you and the services that we will provide. In order to assure an understanding of our mutual responsibilities and comply with professional guidelines we request all clients to confirm the following arrangements by signing and returning this letter with your information.

We will prepare your 2024 federal and state income tax returns that you request from information that you will furnish to us. We will not audit the data that you provide, although it may be necessary to ask you for clarification of some of the information.

The filing due date for your income tax returns is April 15, 2025. It may become necessary to apply for an extension of the filing deadline if there are unresolved tax issues, delays in processing, or if we do not receive all of the necessary information from you on a timely basis.

If you are unable to complete and return the tax organizer and other required documentation by Friday, March 14, 2025, to allow for timely preparation of your tax return you must contact us and request that we apply for an extension of the filing deadline on your behalf. If the necessary information to complete your return is submitted to us after March 14, 2025 and, at your request, we expend effort on your return prior to the April 15th deadline, you may be subject to a 10% premium on time spent after March 14th to cover overtime costs. At that point our backlog is usually around four weeks.

All taxes owed are due by the original filing due date. Underpayment of the tax liability because of insufficient withholding, untimely estimated tax payments and underpaying the balance due by the due date will create the opportunity for the Internal Revenue Service to assess penalties and interest on you.

The filing due date for extended returns is October 15, 2025. Complete information for extended returns should be submitted no later than Friday, September 19, 2025. If the necessary information to complete your extended return is submitted to us after September 19, 2025, you may be subject to a 10% premium on time spent after September 19th.

You agree that you are not and will not be entitled to rely on any advice unless your request and our response are provided in writing.

The Internal Revenue Service imposes certain filing and disclosure requirements on taxpayers who have an interest in or a signature or other authority over a financial account in a foreign country (such as a bank or securities account). You are also required to report any income earned from virtual currency transactions from Cryptocurrency and Bitcoins. By your signature below, you are representing that you have had no such interest or authority at any time during the calendar year 2024 and that you have provided details to us of all virtual currency transactions made in 2024. If you are unsure of whether you have reportable foreign or virtual transactions and would like to discuss the requirements further, you should contact us as soon as possible.

If, during our work, we discover information that affects your prior-year tax returns, we will make you aware of the facts. However, we cannot be responsible for identifying all items that may affect prior-year returns. If you become aware of such information during the year, please contact us to discuss the best resolution of the issue.

If you have a business, assisting you with your compliance with the Corporate Transparency Act ("CTA"), including beneficial ownership information ("BOI") reporting, is not within the scope of this engagement, unless you have signed a separate engagement letter to that effect. You have sole responsibility for your compliance with the CTA, including its BOI reporting requirements and the collection of relevant ownership information. We shall have no liability resulting from your failure to comply with CTA. Information regarding the BOI reporting requirements can be found at https://www.fincen.gov/boi. Consider consulting with legal counsel if you have questions regarding the applicability of the CTA's reporting requirements and issues surrounding the collection of relevant ownership information.

It is your responsibility to provide all of the information for the preparation of a complete and accurate return. We will maintain copies of information you provide to us in connection with this engagement on a strictly confidential basis. Our records retention policy requires us to return all original records and documents that you have given us at the conclusion of the engagement.

You should retain all of the records used to prepare your returns because they may be required to support the accuracy of the returns in the case of an audit. Our records and files are our property and are not a substitute for your own records. Our firm destroys our engagement files and workpapers after a period of seven years. Catastrophic events or physical deterioration may result in our firm's records being unavailable before the expiration of the above-mentioned period.

In the interest of enhancing our availability to meet your professional service needs while maintaining service qualities and timeliness, we may use a third party service provider to assist us in the provision of services to you. Any provider will have established procedures and controls designed to protect client confidentiality and maintain data security. As your paid provider of professional services, our firm remains responsible for exercising reasonable care in providing such services, and our work product will be subjected to our firm's customary quality control procedures.

Our fees for these services will billed be at our standard hourly rates for the professional and administrative services provided, plus out-of-pocket expenses. All invoices are due and payable upon presentation. If payment is not received within 60 days of the due date, you may be assessed late payment fees of 1% per month on the unpaid balance. We reserve the right to suspend or terminate our work due to non-payment.

After you have accumulated your tax records, you may simply email, mail or bring the information to us or, if there are specific issues that you feel need to be discussed, please call to set up an appointment.

You and we both agree that any dispute over fees charged by the accountant to the client will be submitted for resolution by arbitration in accordance with the applicable rules for resolving professional accounting and related services disputes of the American Arbitration Association, except that under all circumstances the arbitrator must follow the laws of West Virginia. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that, in the event of a dispute over fees charged by the accountant, each of us is giving up the right to have the dispute settled in a court of law before a judge or jury and instead we are accepting the use of arbitration for resolution. The prevailing party shall be entitled to an award of reasonable attorneys' fees and costs incurred in connection with the arbitration of the dispute in an amount to be determined by the arbitrator.

If the foregoing fairly represents your understanding of our services please sign and return this letter with your tax information and the organizer to our office. Please note that you are affirming to Costanzo Woomer Nistendirk, PLLC your understanding of and agreement to the terms and conditions of this engagement letter by either of the following actions: returning your signed engagement letter to our firm or returning your income tax information to us for use in the preparation of your returns.

As always we appreciate the opportunity to provide services to our clients and encourage year round communication to answer questions and be involved in your planning needs.

Very truly yours,

Costanzo Woomer Nistendirk, PLLC
