

Louisiana Department of Revenue Direct Pay: A visual step-through

This visual guide walks you through making a secure electronic payment to the LDR using with clear screenshots of every step. Whether your paying a balance due, an extension or an estimated payment, you will see exactly where to click and what to enter so your payment is credited to the correct tax year. Follow along from start to finish – what to select, what information to have handy and how to confirm submission – so you can make an electronic payment with clarity and peace of mind.

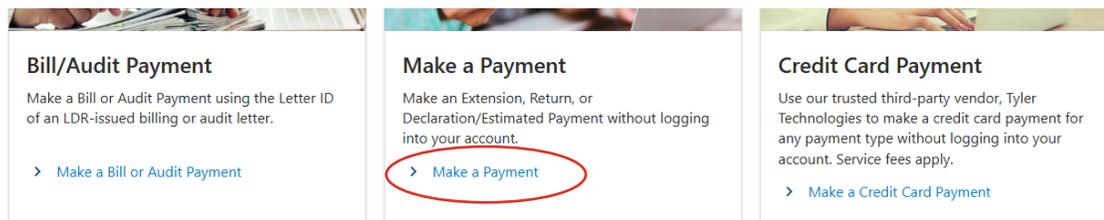

To begin: Go to <https://latap.revenue.louisiana.gov/>

Don't worry. You do not have to create an account unless you want to. To make a one time payment scroll down until you see "Pay Now".

Click on "Make a Payment". It will take you to a page where you can select the type of payment you need to make.

Generally you are going to be using "Make a Payment" to make a payment directly from your bank account. LDR does not charge a fee for this type of payment. However, please note that service fees do apply to Credit Card Payments.

Click Make a Payment. Choose if it is a Return Payment (payment due with the filing of your tax return), Declaration/Estimated Payment (for quarterly estimated tax payments) or Extension Payment.

- Extension Payment

Pick the type of payment you are making. If you are unsure, ask HKB.

How can I make a payment?

Individuals will need the following to make a payment:
Social Security number
First and last name
Bank account information

Businesses will need the following to make a payment:
10-digit revenue account number
Legal name
Bank account information

You will need the following information to make this payment:

- The social security number of the first taxpayer listed on your return. For married couples, this is generally the husband, but not always. Check your return to see who is listed as the “taxpayer”.
- The first and last name of the “taxpayer”.
- Your banking information. This can be the taxpayer or spouse account. You need the routing number and account number to make a payment. You must also know if it is a checking or savings account.
- Businesses will need their 10 digit LA revenue account number, legal name, and banking information.
