ROUNABOUT THEATRE COMPANY

Roundabout, the nation's largest not-for-profit theatre company, proudly **celebrates the power of theatre** by spotlighting familiar and lesser-known classics, while cultivating the future of the theatrical canon on our five stages across the city. Off-stage, we build **transformational educational experiences** for over 28,000 NYC public school students, educators, and patrons each year. We strive to make our work relevant and **accessible** to all by removing barriers that can inhibit theatregoing. All Roundabout productions and programs are only possible through generous support from our donors. We thank the following for their contributions to the annual fund and 50th Anniversary Campaign during 2020-2021.

*Special thanks to those who have given to the *Road Back to Roundabout* campaign for their dedicated support while our theatres are closed due to COVID-19.
