Congratulations to the entire Roundabout Theatre team
for creating new programming to broaden the talent,
voices and audiences for American theatre, and for initiating
far-reaching education programs in New York City schools
during the past year when our theatres were dark.

Special thanks to Todd Haimes and Julia Levy, as well as board
leaders Tom Tuft and Kitty Patterson Kempner, for their vision
and hard work. And thanks to Jane Krakowski and
Senator Chuck Schumer for being such good friends to
Roundabout as we return to live theatre.

JENNIFER and **OWEN THOMAS**

We applaud Todd, Julia, and the Roundabout family
for their leadership in guiding Roundabout
towards reopening and the return of live theatre.

We are excited to celebrate what we hope will be just one
of the first live events as our city begins reopening,
and look forward to when Roundabout will once again
produce powerful, inclusive, and boundary-pushing theatre.
