

YOU WILL GET SICK

By Noah Diaz
Directed by Sam Pinkleton

In Noah Diaz's *You Will Get Sick*, a young man is shocked to receive a life-changing diagnosis. Overwhelmed, he turns to a stranger for help, hiring an older woman to break the news to his family and friends – thus setting into motion a series of events that will profoundly reshape both of their lives. This humane and piercing new play is a testament to the great challenges – and extraordinary joys – that come from having a body.
