ROUNABOUT THEATRE COMPANY

Roundabout, the nation's largest not-for-profit theatre company, proudly **celebrates the power of theatre** by spotlighting familiar and lesser-known classics while cultivating the future of the theatrical canon on our five stages across the city. We strive to make our **work relevant and accessible** to all and actively contribute to building an American theatre that **thrives on diversity**. Off-stage, we build **transformational educational experiences** for over 24,000 NYC public school students, educators, and patrons each year. All Roundabout productions and programs are only possible through the generous support from our donors. We thank the following for their contributions to the annual fund, special events, and our capital projects during the 2024-2025 season. Get involved at www.roundabouttheatre.org/donate.
