

Good Things come as “2” Tektronix 2 Series MSO

Unlock more space on your bench without compromising performance. At only 40 mm thin and weighing less than 2 kg, the **2 Series MSO** is a **full-featured, real-time touchscreen** oscilloscope in a compact, portable form factor that feels like a tablet. On the benchtop, in the classroom, or to the field, take it wherever your measurement challenges take you.

Grab a pair and enjoy the special promotion for the Team!
