Explore the RHINO™ Range!

Complete your work with pride and professionalism.

No matter the industry you work in, DYMO® Industrial products give your work a clean, professional look that enhances your reputation. Our label printers and labels make it easier than ever to get results that meet industry standards – as well as yours. All our products stand up to the toughest conditions your industry can dish out.

The RHINO™ product line-up:

RHINO™ M1011

RHINO™ 4200

RHINO™ 5200

RHINO™ 6000+

RHINO™ Industrial Labels are reliable, tough & jobsite-tested labels for industrial applications.

Thermal transfer printing means labels won't smudge, smear or fade. Choose up to a 24 mm label width in a broad assortment of materials and colors, that meet OSHA, ANSI, ISO standards, Reach, RoHS standards.

All DYMO® industrial labels are packaged in easy-to-load cassettes, made from 100% recycled materials, with a split-back design, making peeling, applying quick and easy.

All DYMO® IND Labels are made in Belgium, Europe.

RHINO™ 6000+

Introducing the RHINO™ 6000+ - the latest in the range of top-quality labelling tools from RHINO™ - with PC Connectivity via DYMO® ID Software!

Our research tells us that the most important thing for an installer from a labelling tool is that it should be “easy to use”; the RHINO™ 6000+ has been designed with special features to make it just that: label cassettes can be loaded and unloaded with no hesitation; the generously sized LCD allows you to edit and preview multiple labels and

DYMO® ID SOFTWARE

the RHINO™ “hot-key” technology provides shortcuts to your most common applications. Of course, the RHINO™ 6000+ also prints on the RHINO™ range of industrial-strength labels, which are built to withstand all kinds of harsh treatments including solvents, UV, moisture, harsh temperatures as well as being almost totally smudge-proof.

Delivering the highest level of performance at high-end installations, the RHINO™ 6000+ is built to remain your labelling tool of choice for a long, long time.

DYMO® ID SOFTWARE

Get added labeling ease with DYMO® ID software. Only DYMO® ID software provides the same great life-like on screen print previews, built-in label applications and pre-loaded templates found on your XTL™ label maker and RHINO™ 6000+, whilst adding in features to help further simplify high-volume labeling tasks.
