

# Upgrade Your Lab for Less

Up to 40% off Keysight InfiniiVision Oscilloscopes

## Combine Promotions for up to 40% Off

For a limited time, you can get your next benchtop oscilloscope for even less! By combining Keysight's current InfiniiVision oscilloscope promotions, you can reach up to 40% in savings. With both a hardware discount and free application package, you can tailor your oscilloscope to meet your unique test requirements while staying within your budget.

- 20% off InfiniiVision oscilloscopes (1000 X-, 2000 X-, 3000T/G X-, 4000 X-, and 6000 X-Series)
- Free software application package with a new 3000T/G X-, 4000 X-, and 6000 X-Series

## Make Trusted Measurements

InfiniiVision digital oscilloscopes are built around our patented technology to consistently give you the fastest waveform update rates, enabling you to capture infrequent glitches in your design. An intuitive user interface and high-end software applications place automated measurements and accessible expertise at your fingertips.

**Start date:** June 1, 2023

**End date:** December 31, 2023

**Availability:** Americas, Asia Pacific, EMEA, GC (Turkey, Israel & Greater China excluded from free software package promotion)

Discount may not be available in all countries for local operational reasons, check before ordering.

## Promotion Conditions

Purchase one of the following Keysight InfiniiVision Oscilloscope models from Keysight or an authorized Keysight partner during the promotion period to be eligible for these offers.

## To take advantage of this offer

- Learn more by visiting [www.keysight.com/find/ScopeSoftwarePromo](http://www.keysight.com/find/ScopeSoftwarePromo)
- Complete the claim form after receiving your purchase at [www.keysight.com/find/ScopesPromoClaim](http://www.keysight.com/find/ScopesPromoClaim)
- Contact us if you have any questions regarding this promotion at [ScopePromo@non.keysight.com](mailto:ScopePromo@non.keysight.com)

## Conditions

- Purchase orders to your Keysight partner must be dated within the promotion period.
- Lease orders and remarketed equipment are not eligible for this promotion.
- Keysight Technologies reserves the right to modify or discontinue this offer during the promotion period.
- This promotion can be combined with 15% EDU discount

# Power Up Your Application with a Free Handheld DMM

Get a free Keysight U1232A handheld digital multimeter (DMM) with the purchase of qualifying power products

## Test with Confidence

When powering your devices under test (DUT), you expect nothing less than accurate test results. The power supply powering your DUT can throw your measurements and your confidence off. You need precision, speed, and low noise for best results. Keysight's power supplies help you:

- Increase voltage sourcing stability with built-in remote sense functionality for your DUT
- Improve productivity with intuitive user interfaces, bright colored displays with wide viewing angles, and form factors ideal for any bench
- Test with confidence with low output ripple/noise and protection for your DUT

## Get More Done with a Free DMM

For a limited time, get a free U1232A handheld DMM with every qualifying purchase of Keysight power supplies.

## Examine the Benefits

The design of the U1232A handheld DMM withstands harsh working conditions and anticipates worst-case scenarios. The ergonomically shaped handheld has a built-in LED flashlight to easily illuminate the test area while selecting measurement functions. This DMM also enables you to:

- Make continuity tests in noisy and dim environments using the easy-to-see flashing backlit display and audio alerts.
- Eliminate ghost voltage and improve measurement accuracy using the low impedance mode.
- Get 500 hours of battery life and stay safe with CAT III 600 V overvoltage protection for high-voltage measured circuit applications and personnel.

## Promotion conditions

You must purchase one of the following Keysight power supply products from Keysight or an authorized Keysight partner during the promotion period to be eligible to claim the free U1232A handheld digital multimeter — one free U1232A DMM with the purchase of one qualifying power product.

## Eligible power products

Keysight model	RS Code	Description
N6700C	1365424	Low-profile modular power system mainframe, 400 W, 4 slots
N6701C	1365426	Low-profile modular power system mainframe, 600 W, 4 slots
N6702C	1365428	Low-profile modular power system mainframe, 1200 W, 4 slots
N6705C	1345646	DC power analyzer mainframe
E36313A	1368576	DC power supply, triple-output, 6 V, 10 A, and 2 x 25 V, 2 A, 160 W: LAN, USB
E36154A	2537808	DC power supply, single-output, auto-range: 30 V, 80 A, 800 W: LAN, USB
E36155A	2537809	DC power supply, single-output, auto-range: 60 V, 40 A, 800 W: LAN, USB
E36731A	2603060	Battery emulator and profiler
E36233A	1873438	DC power supply, dual-output, auto-range: 2 x 30 V, 20 A, 400 W: LAN, USB
E36234A	1873439	DC power supply, dual-output, auto-range: 2 x 60 V, 10 A, 400 W: LAN, USB

## Promotion information

Start date: May 1, 2023

End date: October 31, 2023

Promo code: C4.002

Availability: Americas, Asia Pacific, Europe, the Middle East, Africa, and India (EMEA)

Countries not included: Turkey, Russia, Israel, and Greater China.
