

# SAN ANTONIO ROADRUNNERS

## CARRABBA'S

**TITLE:** Carrabba's Classic Four Person ½ Marathon Relay  
(See "Interesting Facts")

**DATES:** Late 1980s – SARR Half-Marathon Relay  
2001- Carrabba's Classic Four Person ½ Marathon Relay

**DISTANCES:**

Originally Half-Marathon Relay (4-Person) and Individual Run  
5k and 10k distances added in mid-2000.

**LOCATIONS HELD:**

Kelly Air Force Base (AKA: Port San Antonio) – Late 1980s and  
Early 1990s  
McAllister Park – 2000s  
Wheatley Heights Sports Complex – 2015, 2016, 2017

**RACE DIRECTORS:**

Late 1980s - Rosi Bustmante and Roselea Llano  
Bob Ratliff, Walter Bobrukiewiez, Veronica Salinas, Karen Wolfshohl  
Patti McGeever  
Paul Baltutis

**INTERESTING FACTS:**

**From Race Director and former SARR President Bob Ratliff:**

*The race is a spin off from a relay directed by Rosie Bustamante and Rosalea Llano in the late 1980's. The relay skipped 1990 and was picked up in 1991 with directors Bob Ratliff, Walter Bobrukiewiez, Veronica Salinas, and Karen Wolfshohl. It was held at Kelly and had around 40 teams. The vision was a competitive relay with unique shirts and awards. Working with Roger Soler of Soler's Sports, a local running company, the shirts and awards were indeed unique including tie dyed shirts, beach towels, back packs, and caps. After several locations and dates the race eventually called McAllister Park the third Saturday in June home.*

*In 2000 Carrabba's approached me (as club president) to put on a race that was part of a national marketing campaign. After looking at all the SARR races the relay was chosen as the best match. After much discussion, the club agreed to produce the Carrabba's Classic Four*

*Person ½ Marathon Relay in June of 2001. Race day the park was flooded, so we held a Fun Run with food and beer. The race was rescheduled and Carrabba's agreed to make it an annual event. After several years, the national event was canceled but Tom Pendleton (Carrabba's proprietor) stepped in and made it part of his local marketing. The vision was still to have a competitive and unique race. The race peaked at 1,992 runners.*

*To take care of the logistics several sub directors were involved in marketing, shirt, awards, course, entertainment, food and refreshments, race day production, and medical. We even had a protest team that unfortunately had to be used several times. Chuck Campbell took all the race timing issues in stride. It took a complete team to keep the race going.*

*The race was full of surprises, like when Walter as lead bike missed a turn and had the first 3 teams running about 200 yards long (did not change the results). There was the time the shirts were very colorful but came with Peruvian sizes and were extremely small. Roger had to next day order regular shirts and was printing as packet pickup was in progress. Then there was the year awards were held in customs until Friday afternoon, and the time Carrabba's had to make a propane run. Rain caused a shortened race to about 10 miles one year, but we were at the Wheatley Heights Sports Complex which had an alternate course. The race has maintained its place as one of the must do races and it is in good hands to continue.*

Race was a four-person relay with each member of the team completing a fourth of the 13.1 miles. Each member of the team would run one loop. However, individuals wishing to run the entire distance (four loops) alone were allowed to do so.

Race was held in June when temperature was high. All runners, especially those doing the entire distance alone, were advised to hydrate as often as possible. Individuals had to keep track of their own loops. As the day grew hotter, many individuals decided it best to not complete the entire 13.1 miles.

A non-competitive off-road nature walk was included in 2009.

Race entry form was always two pages long. One entry form per team. Second page allowed for all team member info and signature.

A "Need-a-Team" table was set up on race day. This was for persons that wanted to participate but were not on a team as well as for teams that needed a "fourth" for whatever reason. Assignments were made as close to the original team category but, most of the time, it was "take what you get" type of assignment.

Carrabba's Italian Grill provided a meal, cooked on site, that consisted of chicken marsala, pasta, and salad. For a few years, non-registered persons were charged a minimal charge to receive a dinner. The usual runner's fare (fruit, water, soda, beer) was also available. Wine was added later.

Packet stuffing “parties” were held. Bob would invite SARR Board members and friends to meet at his home to stuff race packets, put names on bibs, and complete other items necessary for packet pickup. There would be pizza and, naturally, adult beverages AFTER the packets had been stuffed. “Stuffing” included SARR race flyers, non-SARR race flyers, race instructions, freebies that had been acquired, etc. Labels included the team number, name, as well as the shirt size for each team member. Amazingly, the packets were stuffed pretty accurately.

### **ONLY A RACE DIRECTOR WILL APPRECIATE:**

Preparing the list of teams for such an event was a real challenge not only for the timing company but also for those handling packet pickup. With the advancement of modern technology, Bob Ratliff (race director) and Chuck Campbell (timing) developed a program and format to use. Bob received all entries, placing them on a spread sheet, listing each individual with the team they were on.

As Volunteer Coordinator and coordinator of early packet pickup, Sally Rios worked closely with Bob. One year, after setting up early packet pickup, a runner arrived early to get his team’s packet. No individual team members were allowed to get their own item. Bob and Sally used this person as a “test” to make sure the lists, packets, etc. were in order.

The runner gives his name. Not on the list. The team name was requested only to find that the names listed under that specific team were not the team members on the Early Runner’s team. Several variations of team members and team names were looked at. Bob finally realized that when he “sorted” the list before coming to packet pickup, he had not done it correctly. By now, other teams/team captains were arriving to get their packets. Bob rushed home (fortunately he did not live far), re-sorted the list, and returned to packet pickup. This time the “test” worked.

MEMO FOR THE RECORD

19 April 1993

This memo constitutes confirmation that permission was granted by Mr. Sam Idrogo, SA-ALC/CE to the San Antonio Road Runners running club to stage the 1993 S.A.R.R. 1/2 Marathon Relay Race on Kelly AFB on 8 May 1993. Mr. Richard Ville, 651st/MWR has been designated to act as the project officer. This information was also provided to Mr. Jarry Stanfill of 651st MWR. This memo was prepared on 19 April 1993 in lieu of official letter of permission from Gen Curtis. Copies of this memo have been provided to appropriate agencies.

*Ed Strickland 156563.*  
*19 Apr 93*

original message, follows)

am,

I've talked with Bob Ratliff regarding the race. We will be purchasing the trophies from the base hobby shop. The question arose regarding whether we need some official documentation from Col Creek granting permission to stage our run. I am investigating a couple of possible courses and should have some suggestions by next monday. Is there anyone else I need to be keeping in the loop (i.e. MWR, traffic) etc. I can do most of this over the phone but would imagine a letter from the Col would certainly expedite things.

thanks,

alter B.

(forwarding comment)

erry, pl call me about message below from walter Bo. rich from the  
base gym has been assigned opr and has been in contact with the race  
director, bob ratliff. i saw bob yesterday at a training run and he  
asked me the same question about a formal response from ltc creek.  
told him we've been very busy and suggested he write a memo for the  
record quoting me as having said yes plus noting that rich had  
identified himself as the MWR project officer and send us a copy. if  
his is ok fine; if not would you pl send him a quick response.

- space to continue, (b)ack, (q)uit, (h)elp

regarding notification of others involved such as SPs and Base Clinic,  
send them memos for the Endurathon but i to am running short of time  
and would prefer you all do it out of MWR.

regarding the course route, i recommend we stay west of duncan drive  
to avoid having to cross it even if we have to extend the route  
into part of the former DS area and through the U at B360.

erry, let me take the opportunity to inform you that walter BO is the  
race director for a forthcoming triathlon that requires a swimming  
pool---it involves swimming, running, and biking. would like to meet  
with you and walter Bo before the S.A. Roadrunners make a formal  
request. while i support it, i don't want us to overtask MWR nor  
jeopardize the runs that we are now supporting--Endurathon in Feb, the  
relay in this memo, and the 4th of Jul 4-miler. i think we can make  
them winners for all involved, give MWR some business, support the  
community, etc.

correction to para. 1.:...quote me as having said MWR management said  
es...

Q--pl include your phone number on next e-mail.

- space to continue, (b)ack, (q)uit, (h)elp

Kelly AFB TX 78241-5636

Mr. Bob Ratliff  
San Antonio Roadrunners  
1518 Larkspur  
San Antonio TX 78213

Dear Mr. Ratliff

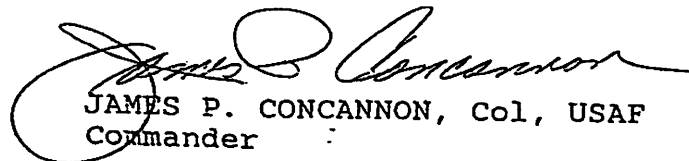

We are pleased to again host the Endurathon, Marathon Relay and Freedom Run in 1995. As in the past, the facilities at the Fitness Center will be available to support your requirements. Having supported these events in the past, the staff at the Bennett Fitness Center is well aware of the support requirements necessary to make sure these running events are again successful.

Please make sure your POC's for each event contact and coordinate the dates and requirements with respective base agencies to ensure success.

My POC at the Bennett Fitness Center will be Paul Prentice, Sports and Fitness Director at ext 925-4846/47/48.

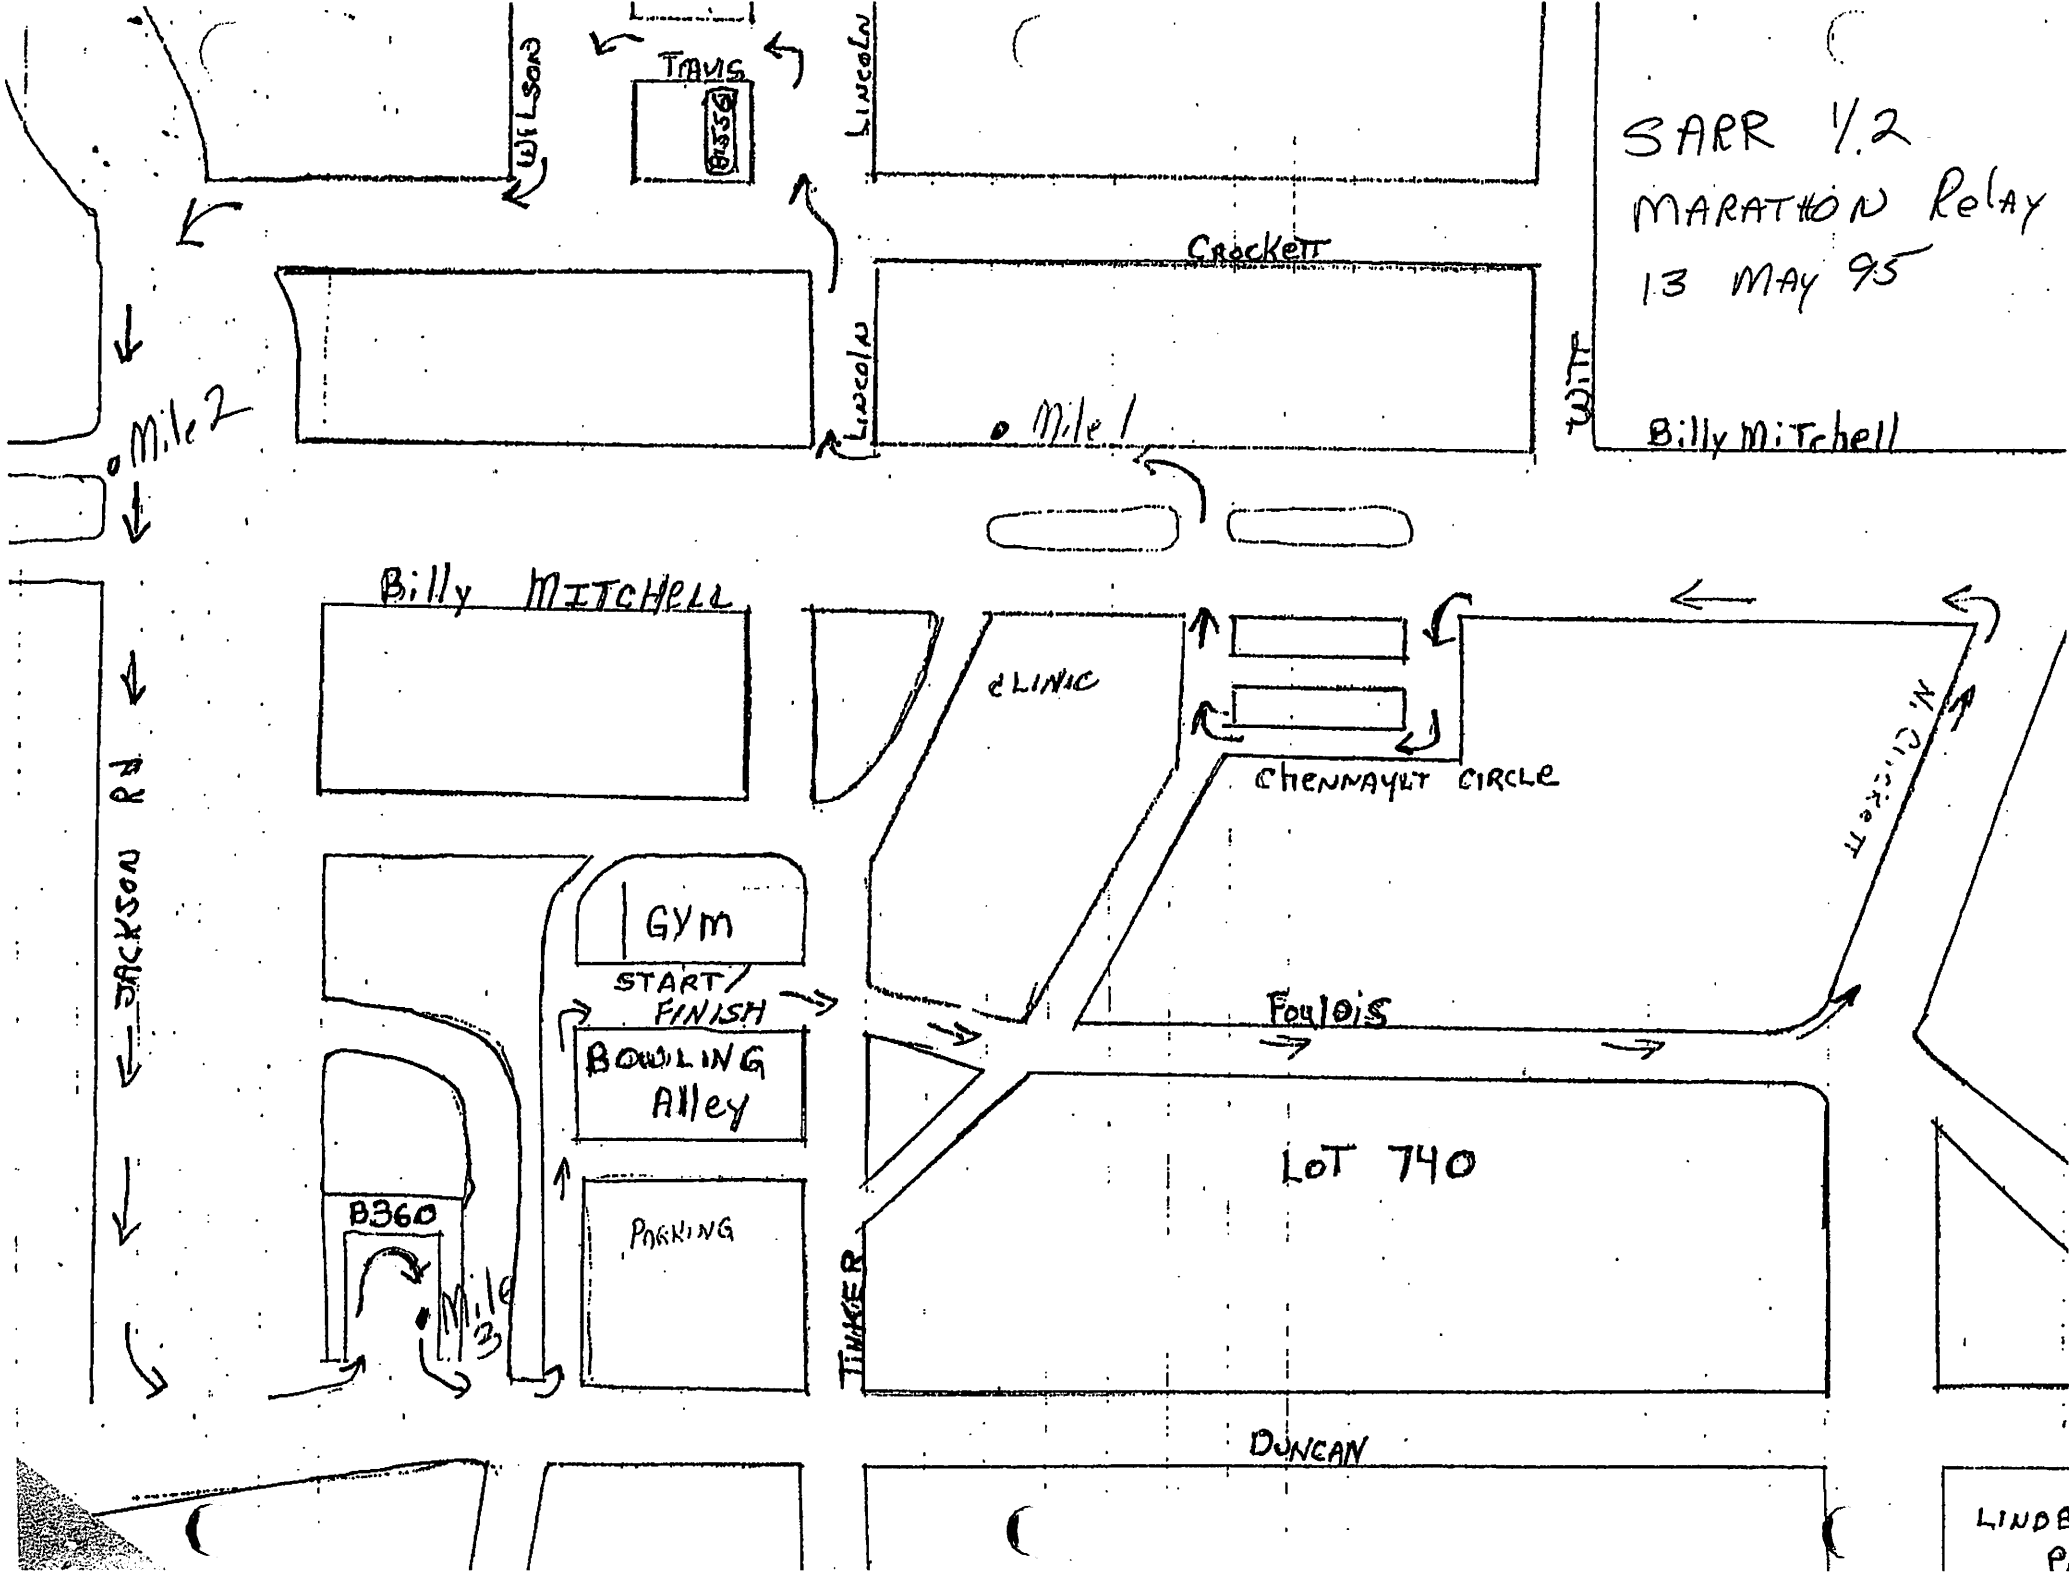

Thanks again for allowing Kelly AFB the opportunity to host and participate in these well received community events. I'm sure they will again be a big success.

Sincerely

  
JAMES P. CONCANNON, Col, USAF  
Commander
