Experience fine dining with an unbeatable view! Tables are set for intimacy and comfort; enjoy a private restaurant feel without the crowds aboard our spacious sailing catamaran. As you are escorted to your individual table, the evening begins with cocktails and sailing along the pali sea cliffs. After mooring in a protected cove, the first course is served. From there on, our crew are quick to accommodate your every need and will serve your remaining three courses, including an entrée of your choice that our onboard Chef is preparing in the galley. This is no ordinary dinner! Under the direction of Executive Chef Bailey, each course has been thoughtfully put together using fresh, local ingredients, creating a masterpiece for your tastebuds. Pair that with a glass of prosecco, outstanding service, and postcard-worthy scenery, and you have a dinner you'll remember for a lifetime.
