DISCOVER OLOWALU

Seasonal Operation
9:00am - 1:00pm

Combine the best of both worlds: relaxation and adventure! Join Trilogy on the perfect excursion that leaves room for you to fit more into your day. Conveniently depart from Lahaina Harbor and enjoy tasty cinnamon rolls and assorted tropical fruit as we set sail to Maui's mother reef "Olowalu". This massive reef south of Lahaina is over 1,000 acres in size and has corals over 1,500 years old. Olowalu is special for many reasons, most notably for its turtle cleaning station and its mass production of coral polyps. After working up an appetite, you are served a hot BBQ chicken lunch—dine at leisure and relax out in the sun as your crew serves you cold drinks. Capacity is limited in order to give everyone plenty of space for lounging and personalized attention throughout the excursion. Finally, while it's tough to beat Mom's homemade cinnamon rolls or Capt. Coon's BBQ teriyaki chicken prepared by your captain for lunch, what really sets Trilogy apart is the personal attention each of our guests receive.

**There are times that the weather will make snorkeling at olowalu undesirable and/or dangerous. On these days, the captain will choose the best alternate snorkel location. Please be advised there will be no refunds issued.*
