TICKETLESS PARKING

Westfield Bondi Junction utilises Ticketless Parking Technology. There are no boom gates or ticket machines at Car Park entry points. Ticket machines have been replaced by 'Licence Plate Capture Points,' Upon entry, vehicle licence plate details are recorded, a digital ticket is issued and linked to the owner's Westfield Parking Account.

\$12* – ALL DAY UNDERCOVER PARKING – HOW IT WORKS

WHERE: In order to receive the \$12 daily parking rate, registered staff must park their vehicles on Underground Parking Level P1 (Blue Level - on the Coles side of the Centre).

AVAILABILITY: The \$12 parking rate will be available to registered staff from Monday to Friday. It is not available on weekends, public holidays or in the last two weeks of December.

HOW: Upon leaving the shopping centre, if your visit to the car park is within the 2 hour free parking period, proceed straight to the exit. The parking system will recognise your licence plate number and the boom gate will automatically open.

If your vehicle has been parked in the P1 area for more than 3 hours the \$12 fee will be applied to your vehicle automatically.

PAYMENT: We recommend that payment be made at a Payment Machine prior to exiting the Car Park. Payment Machines are located in the Car Park escalator and lift lobby areas

ONE ENTRY PER DAY - The \$12 rate is only valid for one entry per day

ENTRY AND EXIT – There are no boom gates restricting entry and exit as the P1 Parking area is also available to customers parking in the Centre.
