FRIDAY 1 SEPTEMBER

DIY macrame plant hanger

10:30-11:30 am

Our creative expert will guide you step by step into making your own beautiful macrame plant holder. You don't need to have any crafting experience - beginners are more than welcome. This is a free workshop, all materials to make the macrame are provided. The plant pot and plant is sold separately. This workshop is opened for both adults and children.
Age minimum: 7 years old - must be confident with tying knots and threading.

Cushion cover decorating

12:30-1:30 pm

Decorate your own cushion cover using random objects and stencils that make truly unique designs! You don't need to have any crafting experience - beginners are more than welcome. This is a free workshop, all materials are supplied.
Age minimum: 5 years old.

DIY geometric mobiles

2:30-3:30 pm

Our creative expert will guide you step by step into making your own colourful geometric mobiles using our drinking straws! You don't need to have any crafting experience - beginners are more than welcome. This is a free workshop, all materials to create the mobile are supplied. This workshop is opened for both adults and children.
Age minimum: 7 years old - must be confident with tying knots and threading.

Make Room for Coffee

9-10 am

Our barista, Alicia, will take you through the wonderful world of coffee and demonstrate how your favourite latte or cappuccino is made. At the end of the session, everyone will be given free used coffee grounds, nitrogen rich and an excellent fertilizer for your garden.

Fathers Day frame scrapbooking

9-10 am, 11-12 pm, 1-2 pm, 3-4 pm

Gifts that are handmade with love are always the best. All you need to bring to this workshop is yourself, and your favourite photo of you and dad! Ideal photo size: 6x4 or 5x7. All materials to create the scrapbooking page and one frame will be provided for free. This activity is opened to both adults and children.
