Community Services Unit

24 May 2018

Dear Resident,

RE: Vivid Sydney at Chatswood

Vivid Sydney, the World's largest festival of light, music and ideas will return to Chatswood in 2018. **The festival will run in Chatswood from 5.30pm - 10:30pm each night from Friday 25 May to Saturday 16 June 2018.**

During Vivid Sydney at Chatswood, the Chatswood CBD will be transformed by art and light, food and fashion, to create Lightscape, a sensory journey through time and space. The brilliant, interactive light show will run through the Chatswood CBD beginning at Chatswood Interchange, through Chatswood Mall, passing Hawker Lane at Westfield down to Spring Street, and culminate in the feature light show on the façade of The Concourse. Vivid Sydney at Chatswood will also include a day time installation at Chatswood Chase, open during centre trade hours.

For pedestrian safety, road closures will be in place in the Chatswood CBD on Thursday, Friday and Saturday nights as well as the Sunday of the long weekend when crowds are expected to be largest. Special event clearway parking restrictions will also be in place on these nights.

Please familiarise yourself with the details of the closures as vehicles will not be able to exit a carpark or driveway until the roads have safely reopened. **See the map on the reverse of this letter for road closure and clearway locations and times.** You can also find this information and maps online at livetraffic.com.

Bus services through Chatswood will be detouring around the road closures and using temporary bus stops. While Victoria Ave is closed the bus stops will be relocated to Archer St outside Chatswood Chase and Chatswood Police Station until the road reopens. For details on transport changes during the festival visit transportsw.info.

ROAD CLOSURES – between Friday 25 May and Saturday 16 June

The below roads will be closed from 7pm to 10:30pm on Thursday and Friday nights and from 5pm to 10:30pm Saturday nights and Sunday night of the long weekend (10 June):

- Victoria Avenue between Anderson St and Archer St.
- Anderson St between Endeavour St and Albert Ave (between the two Chatswood Westfield buildings).
- Anderson St between Help St and Ferguson Ln (southbound lanes only)

Note: the Chatswood Westfield Myer carpark entry on Anderson St will not be accessible during the closure periods. Access the Westfield carpark via Albert Ave or Victor St instead.

PARKING RESTRICTIONS:

Special event clearways are strict no parking zones and will be in effect on a number of roads in Chatswood from 3pm to 10:30pm each Thursday, Friday and Saturday night (plus Sun 10 Jun) during Vivid Sydney. Check signs before parking as vehicles left in clearways will be towed and a fee applies. If your vehicle is towed, call the Traffic Information Line on 132 701 to find its new location.

We apologise for any inconvenience. For more event information visit www.willoughby.nsw.gov.au

Kind regards,

Melanie Smith
