Synopsis:

Pulitzer Prize and Tony Award® winner Tracy Letts (*August: Osage County*) returns to Second Stage (*Mary Page Marlowe*, *Man from Nebraska*) with a brutally comedic look at Wheeler, a 50-year-old divorcee in the throes of a mid-life spiral. Just out of his ex-wife's garage and into a place of his own, Wheeler starts on a path toward self-discovery — navigating blind dates, old friends, and new love. Full of opinions, yet short on self-examination, Wheeler must reconcile the man he has become with the man he wants to be.

Show Synopsis:

It's nearing midnight in Wyoming, where four young conservatives have gathered at a backyard after-party. They've returned home to toast their mentor Gina, newly inducted as president of a tiny Catholic college. But as their reunion spirals into spiritual chaos and clashing generational politics, it becomes less a celebration than a vicious fight to be understood. On a chilly night in the middle of America, Will Arbery's haunting play offers grace and disarming clarity, speaking to the heart of a country at war with itself.
