As Muslims, we believe in all Messengers sent by Allah (SWT), all messengers were truthfull.

It is important to remember that all the Messengers were human beings, just like we are.

None of the Nebis ever claimed to be a god, they never told people to worship them.

The pledges of al-Aqaba were two, first pledge was in 621 C. E and the 2nd was 622 CE.

Some of the main oaths were:

- Not to steal
- Not to commit any evil acts

People in Makkakh respected Muhammad (PBU) as a good man, but most of them did not like his teachings.

Non believers in Makkah were planning to harm Rasulullah (PBH).
